About US

From the fertile lands of Cukurova to Turkey's
Everywhere

Sunmey, NÇS Tarım, one of the companies of Sunar
Group, delivers the unique tasted fruits that are grown
on the fertile lands of Cukurova.

Sunmey carries out its production activities on its own
lands, with 87.000 certified stone and pome fruit trees.
Fruits are meticulously cared by international
agriculture consultants and expert agriculture
engineers in the lights of traceable and sustainable
farming principles.
